

Register today for the

# Expanding Your Horizons Conference

A day of hands-on STEM for middle school girls  
April 29, 2017, University of Kentucky

Hands-on  
science  
experiments  
for middle  
school girls

Workshops  
for parents  
and  
guardians

This day-long conference will give middle school girls the chance to meet STEM role models and get excited about science, technology, engineering, and math. Parents and guardians who attend will get information on topics like how to prepare and pay for college. Registration is \$20 and includes lunch. Scholarships are available!

Workshops for girls include:

- Fruit and Veggie Batteries
- Bacteria Everywhere!
- The Chemistry of Fruits
- From Beans to Bubbles
- Molecular gastronomy
